Summary

Highly **motivated** professional in the midst of a career transition into the **IT industry**, with a solid knowledge acquired through the specialized **Pomeranian START.IT** course, which has prepared me for a role as **Junior Frontend Developer**. Beyond **technical knowledge**, I bring a wealth of **valuable experience** to the table:

- good understanding of **frontend programming** fundamentals
- **proficiency** in the English language
- proven track record of **effective work with clients**, understanding their requirements and delivering tailored solutions that meet their needs
- experience in an **international work environment**
- exceptional **collaboration** and **communication** skills

My **diverse skill set** and background make me **well-equipped** to seamlessly transition into the IT field. With a strong foundation in **programming** basics and a proven track record of working with clients in an international environment, I am **confident** in my ability to excel as a Junior Frontend Developer.

Professional experience

05/2023 – 08/2023 | Junior Frontend Developer | Pomeranian START.IT

Course website: [Pomeranian START.IT](#)

Certificate of Completion issued by Rockin'IT

An intensive three-month programming course, led by experienced trainers, encompassed numerous hours of live coding and hands-on work on diverse practical projects.

This course provided participants with a solid and comprehensive foundation necessary for launching a career in the IT industry as a Frontend Developer.

The main technologies covered were HTML5, CSS3, JavaScript, React, Redux and TypeScript.

Students also utilized tools such as Git, GitHub, Redmine, JIRA and Confluence.

06/2022 – 11/2022 | Customer Support Specialist | Majorel

- provided customer support for Microsoft's Visual Studio subscribers (EMEA region)
- educated customers on different Visual Studio subscription plans and helped them choose the most suitable option based on their needs
- facilitated subscription purchases and renewals
- conducted personalized screensharing sessions to demonstrate the features, capabilities and benefits of using Visual Studio software
- managed customer inquiries within established response and resolution timeframes

01/2022 – 04/2022 | Customer Support Specialist | Zonda

- handled customer inquiries, complaints and technical issues through the Freshdesk ticketing system
- identified and documented software bugs and other issues using JIRA
- participated in managing and maintaining the company's social media presence on platforms such as Twitter, Facebook and Telegram

- provided real-time assistance to customers using LiveChat and Intercom platforms
- generated and sent monthly invoices to partner companies participating in the partner program

04/2021 – 06/2021 | Customer Assistant | Sop-Invest

- scheduled business meetings
- provided customer support via phone and email

09/2020 – 10/2020 | Intern | Easy English

- translated articles from Polish into English
- created infographics using Canva
